Concluding Remarks.....	William Foley Chairman Batts

Chairman Batts welcomed the Board and attendees, and introduced the Chief Executive Officer of the Cook County Health and Hospitals System, William Foley.

Mr. Foley provided an overview of the meeting’s agenda, and introduced the strategic planning team that would be facilitating the meeting. This team included the System’s strategic planning coordinator, Michael Koetting, and was led by John Abendshien and Mayur Patel from Integrated Clinical Solutions, Inc.

The presentation (Attachment #1) and discussions began. The Board reviewed the information, and had extensive discussions on several topics, including, but not limited to, the following subjects: providing health care to those who live outside of Cook County; existing and potential collaborations with other public and private health care providers; health care services currently provided by the System; performance improvement and quality issues; the mission and goals of the System; information technology and data management; and cost containment and other finance issues.

During the discussion, Director Muñoz requested a list of all services that are provided by the System¹.

The Board reviewed and discussed the System’s current mission statement. Mr. Foley stated that he will come back to the Board with some suggestions for changes to the statement.

Mr. Patel presented a timeline for the strategic planning approach, composed of five phases within a six month period. The Board discussed the information. They concluded that the timeline for the phases would need to be adjusted, based upon the anticipated budget schedule.

Mr. Foley provided information on the Strategic Planning Advisory Council, a work group created to advise the System Chief Executive Officer and composed of members of the System Board, management, and selected constituency groups. It was determined that the Board would be represented on the Council by Directors Golden and Greenspan.
